WELCOME TO HERITAGE DENTAL CENTERS

We are pleased that you have selected Heritage Dental Centers to care for your dental health. We are dedicated to providing the highest quality care in a caring, gentle, and enthusiastic manner.

Enclosed are a patient registration form, and a medical/dental history form. Please complete them and bring them to your first visit.

Also, please bring your dental insurance card as this will assist us in billing the proper insurance. Should your coverage be thru any state or county program, please call us immediately for further information.

If you have any of the following, please tell us before your visit: rheumatic fever, heart disease, heart defect, or a prosthetic implant (hip/knee etc.)

Please contact your former dentist and have them forward any current X-rays to us.

We look forward to meeting you.
